4mm 90° SMARTSOK[®] - 1 CPA Lock

C390 1P01 ZP07 2000

PRODUCT CHARACTERISTICS

Mating design	- Locking slider with CPA - Usable for 4mm contact pin
Terminal system	- 1 x Ø 4.0mm RADSOK® contact system - Silver plated
Termination technology	- Crimping
General features	- 90° angled connector design - 16 mm² wire - Kit of single components w/o cable - Touch-proof feature - Tightness: IPX0 - Locking slider ensures the positioning and fixation of the connector on the interface

CONSTRUCTION

Housing material	PBT GF15
Contact material	Cu-alloy (silver plated)
Standard wire	10mm ² and 16mm ²

PERFORMANCE CHARACTERISTICS

Vibration class	V1
Mating force	<30N
Current profile	102A @80°C
Voltage range	<60V
Temperature range	-40°C bis +125°C

CONNECTOR INTERFACE

Ø 4.0mm RADSOK contact system

Silver plated

Interface Ø 4.0mm PIN
